The Dragonfly totem embodies the essence of change, renewal, wisdom and enlightenment. Dragonflies represent transformation — they begin life in the water as nymphs and then take to the air in colorful flight. The Dragonfly urges you to consciously express your hopes, dreams, and needs and to seek areas in which to affect positive change.

The Spa's Dragonfly spirits guide you through the fog of illusion on a path of transformation to ultimate transcendence that allows your inner light to shine in new and powerful ways.

FACILITIES

Overleaf Spa facilities are included in the Overleaf Lodge room rates. Non-Overleaf Lodge hotel guests may use the Spa facilities only if they book a 60-minute treatment.

OCEAN-VIEW SOAKING POOL AND HOT TUB

Surrender to the sea in a warm soaking pool that overlooks the ocean. The hypnotic waves and beautiful Oregon coast set the mood for total and complete relaxation. To soothe tired muscles, melt into the hot tub and turn up the jets.

Swimsuits are required. If you forget yours, suits are available for purchase in the Spa.

STEAM ROOMS AND SAUNAS

In addition to the traditional amenities, such as showers and dressing areas, the men's and women's locker rooms include separate steam rooms and saunas.

SCHEDULE AN APPOINTMENT

We recommend reserving your Spa treatment in advance. Call Extension 440 to book your visit. If possible, call the Spa before arriving at the hotel. Walk-ins are welcome, so please stop by to see if a therapist is available.

LOCATION

Overleaf Spa is located on the third floor above the main lobby of the Overleaf Lodge.

ARRIVAL

To fully benefit from your visit, arrive at least 20 minutes prior to your appointment. Give yourself time before your treatment so you can fill out a simple form, shower and change into a cozy Spa robe and sandals, and relax in the comfortable environment. Our Spa facility includes showers, steam rooms, saunas, and therapy tubs that may be used before a treatment to warm the muscles or at the end of a treatment to enhance your state of relaxation. A warm shower just before your treatment is relaxing and washes off any salts, minerals or chemicals that could clog pores when mixed with our products.

ATTIRE

Come comfortably attired; our locker rooms are there for you to undress completely. We provide a robe and sandals for you to wear to your treatment room. In the treatment room you

will be able to take off your robe and cover yourself in privacy. You will be draped with a sheet throughout the service. For some of the services, garments will be provided to you.

PERSONAL COMFORT

Your comfort is important. Please tell our therapists what you expect and if you have any injuries or special considerations. Ask questions if you need more details to make an informed decision regarding your treatment style and type.

HEALING ATMOSPHERE

Help maintain the relaxing and healing atmosphere by turning off your cell phones and pagers, and by speaking in quiet, respectful tones while inside the Spa. All guests deserve to enjoy the serenity of Overleaf Spa and its ocean view.

LATE ARRIVAL

Due to the length of treatments and with respect for other guests, late arrivals may not be able to receive their full service. If you arrive late, you are still responsible for the full cost of your treatment.

CANCELLATIONS

As a courtesy to other guests and our therapists, we request 24-hour notice for cancellations. Guests who do not show up without giving proper notice will be charged the full price of their service.

CHILDREN

The Spa is open to all Overleaf Lodge hotel guests age 18 and over. Children 14 to 17 may use the Spa if they are booked for a treatment and are accompanied by a parent.

GRATUITIES

Gratuities are not included in the price of Spa services, but may be given at your discretion in appreciation for exceptional service.
